

Financial Hardship and Assistance with Payment

We strive to ensure that no student misses out on the opportunity of participating due to financial hardship. We recognise that students and their families make a significant commitment to attending educational activities, and that the fees can be a large expense.

A fee waiver is available for students who are unable to meet the contribution fee.

To apply for assistance

Please complete the form below as to the circumstances that prevent you from being able to pay the fee. The statement should include:

- your parent/guardian's employment status
- your annual household income for 2016/2017
- the number of people in your household
- other information you feel is relevant

The statement should be signed by your parent/guardian.

The statement needs to be emailed to digIT@amt.edu.au before the due date on your invoice.

Upon review of your statement we may request further information in evidence such as:

- Centrelink Income Statement (Family Tax Benefit Part A, Newstart Allowance, Youth Allowance, AUSTUDY, ABSTUDY or other government benefit)
- Evidence of other income (income tax return, pay slips or bank statements)

All information provided will be dealt with in strictest confidence. Applications for the fee waiver will be assessed individually.

Seeking assistance from other groups

In many cases, financial support for fees can be obtained from your school, or from local community groups such as APEX, Rotary and Lions clubs. We suggest students contact such groups in the first instance. If the sponsor is interested in obtaining more detailed information we can provide written support with regards to the benefits of participation in the digIT program.
